

# TRACES

What reminds you?

Drug addiction affects many in our community. Whether you've lost a family member to a drug overdose, lost touch with a friend who uses, or are fighting your own addiction, daily reminders—objects, places, people—can be anywhere.

*Traces* is a collection of those reminders and the feelings they evoke. Tell us your story and help us explore the deep and subtle ways that drug addiction in Vermont leaves its mark.

## Share A Photo

Email us at [share@vpr.net](mailto:share@vpr.net) with a photograph and a short description of a place, person or object that either reminds you of someone you've lost, or motivates you to stay clean.

## Record Your Story

Call us at **802-552-8899** and leave us a message. Tell us about whatever it is that reminds you of someone you've lost to drug addiction, or what keeps you going on the path to recovery.
